"CEO Magazine" Selection: Outstanding Business Leaders in the First Half of 2021

The world has entered a period of turmoil and change due to the new crown epidemic. Industry leaders have led their companies to forge ahead. "CEO Magazine" commends these outstanding business leaders in Asia!

As a world-renowned business journal, "CEO Magazine" conducts in-depth interviews with more than 100 executives from different fields around the world every month. As the COVID-19 pandemic continues to impact the global economy, we aim to honor a group of outstanding Asian business leaders during these turbulent times.

They have successfully led the company through difficulties, moved forward tenaciously in the face of adversity, promoted innovation, and led the company to success by building a strong corporate culture. They are definitely role models in their respective fields.

To this end, the "CEO Magazine" team selected business elites in five major fields through the "Outstanding Business Leaders in the First Half of 2021" activity:

Excellent Entrepreneurs (Inspirational Entrepreneurs)
